# A place to call home

Situated in the quiet, leafy heart of Camberwell, Broughton Hall first opened in 1948. With beautiful landscaped gardens surrounding our magnificent heritage listed 'Tara' mansion, this stately home provides quality aged services for up to 65 residents.

At Broughton Hall, our residents are at the heart of everything we do. This is your home and your community. We're here 24/7 to provide genuine care and holistic support so you can live your best life, every day.

We offer a variety of rooms, all with their own ensuite bathrooms, built-in robes, television and garden views. Residents are encouraged to bring their favourite furniture when they move in to help make their room feel like home, such as a familiar chest of drawers or armchair for reading. Full laundry services are also available. The newly renovated Victoria Wing offers modern amenities including private lounge rooms for families, spacious rooms with lots of natural light and garden views.

We have a variety of social and leisure activities to suit everyone's interests and abilities. We organise a range of lifestyle events such as live music shows, "happy hour", choir, music therapy, seasonal celebrations and community engagement with local schools. We encourage visitors to join in the activities with their loved ones.

All our meals are created onsite by our valued external catering partner, with customised menus rotating regularly. All residents' dietary requirements are catered to, and our residents enjoy the flexibility to choose their breakfast, lunch and dinner meal options every day.

# Tailored support to live your best life

No two people have the same needs, likes and dislikes as they age. That's why our caring staff take the time to get to know you, your preferences and your family. We genuinely listen to you and your loved ones, consulting often and adapting our support as your needs and preferences change.

You'll always feel safe, heard and understood at Broughton Hall.

Nobody knows what you like better than you, so we support you to personalise your room, and choose the activities and clubs that suit you best.

We are proud of the delicious, healthy meals we prepare for residents and their guests. Our external contemporary catering service works closely with nutritionists and dieticians to ensure all meals prepared fulfil nutritional requirements.
